Selection to the 2018 Training Industry Top 20™ IT Training Companies List was based on the following criteria:

- Breadth and quality of IT training content and courses
- Leadership and innovation in IT training
- Company size and growth potential
- Strength of clients
- Geographic reach

“This year’s Top 20 IT Training Companies continue to lead the way in the information technology training market, with offerings and capabilities that are under constant development to keep up to date with the needs of the market,” said Ken Taylor, president of Training Industry, Inc. “New Horizons Computer Learning Centers was selected based on the breadth of delivery modalities it offers and the extent of its geographic reach.”

“The Training Industry Top 20 IT Training Companies list identifies the leaders in the constantly-evolving IT training market,” said Danielle Draewell, market research analyst at Training Industry, Inc. “New Horizons has been a provider of virtual instructor-led training since 2002 and recently introduced a remote mentor offering, which combines mentoring with a blended delivery modality.”
